

M2 Direct Wall Mount Installation Instructions

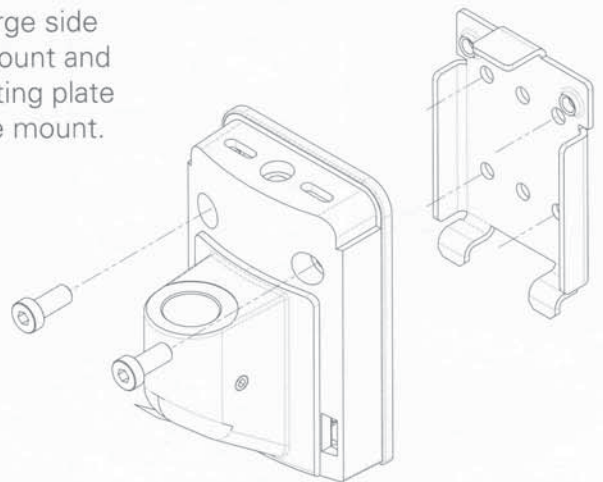

STEP 1:

Remove the plastic top cover.

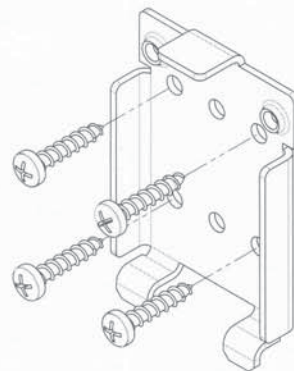

STEP 2:

Remove the two large side screws from the mount and separate the mounting plate from the rest of the mount.

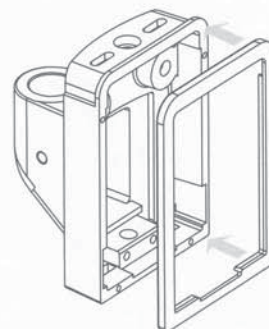

STEP 3:

Attach the mounting plate to a wall stud or other structural support using the screws provided. Mounting to drywall alone is not recommended. Use level to ensure that mounting plate is perfectly level.

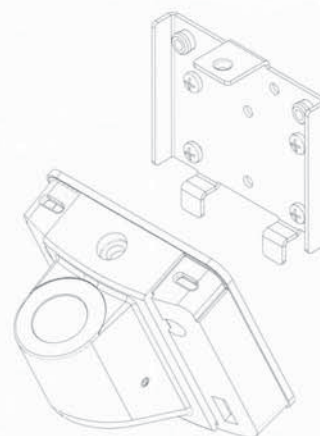

STEP 4:

Press the plastic protective liner onto the rim of the mount.

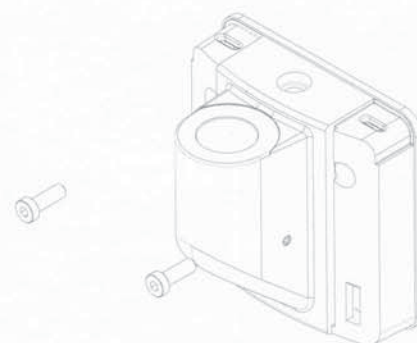

STEP 5:

Align the mount with the mounting plate on the wall.

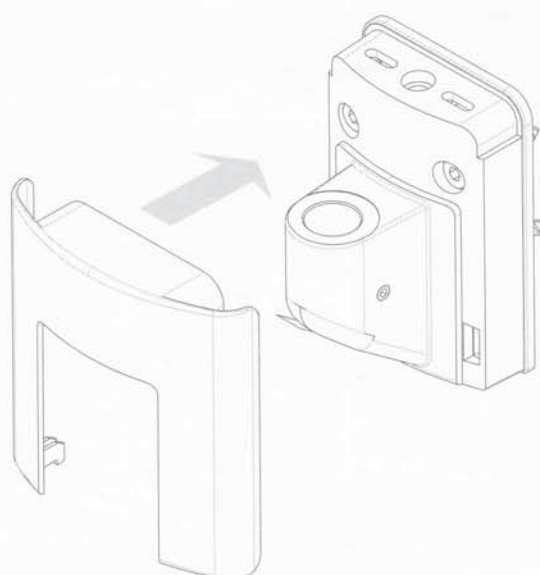

STEP 6:

Reinstall the two large side screws and tighten.

STEP 7:

Reinstall the plastic cover.
