iRoom's **fixDock for iPad Air** is a stylish and affordable non-removeable tablet in-wall solution. The fixDock comes along with the installation backbox. The tablet is continuously charged by the original power adapter (not included) so always ready for action! Whether you want to use the tablet as a music center or streaming source, as an electronic photo frame or as a control system, iRoom's **fixDock** is the most stylish solution. In order to prevent the tablet from being stolen iRoom is also offering a Security kit accessory (not included).
