

MonLines MBS029B Mobile Monitor Stand with Pivot Function, 37–70 Inch, black

Description

The MonLines MBS029B mobile monitor stand with pivot function, 37–70 inch, black is a practical TV stand on wheels for interactive displays from 37 to 70 inches. Thanks to the lockable PU castors with protective covers, the stand can be easily moved from room to room. The integrated pivot function allows the display to be used in both portrait and landscape orientation, while the 5° tilt angle ensures an ergonomic viewing position.

With its integrated equipment shelf and concealed power strip compartment, the mobile display stand ensures a clean and tidy appearance at all times. The integrated cable management keeps all cables neatly routed and out of sight. Whether in conference rooms, training centres, hotels or at trade fair stands, the MonLines monitor stand offers flexible use in a wide range of environments.
