

MonLines MLD780B TV Lift Ceiling Mount, Electric, 780 mm Stroke

Description

The motorized MonLines ceiling-mounted TV lift raises your television from the ceiling almost silently at the touch of a button and disappears just as elegantly – for a clean, uncluttered room design with no visible technology. The powerful motor securely positions TVs from 32" to 55" (up to 45 kg). With a lifting height of 780 mm and flexible installation dimensions, the system adapts to a wide variety of ceiling and furniture solutions. Ideal for living rooms, conference areas, or retail spaces: high-quality technology, discreet integration, and maximum convenience.
