

## MonLines MTS500B

### Gaming desk monitor stand up to 32 inch

### Description

The MonLines MTS500B desk monitor stand in black is particularly suitable for gaming monitors. With a load capacity of 8 kg, it supports screens with a diagonal of up to 32 inches. The monitor desk mount is height-adjustable for ideal ergonomic adjustment of the viewing angle. In addition, the mount can be tilted, swivelled and rotated by 180° so that the screen can be viewed in both landscape and portrait format. The VESA standard simplifies the attachment of the screens. There is also an integrated cable guide on the back of the column, which ensures a tidy appearance on the desk.
