

MonLines MWH015B Height-adjustable LCD TV wall mount 37" - 60"

Description

The MonLines MWH015B height adjustable TV wall bracket mounts up LCD TVs / screens to the desired height. With the integrated spring system a stepless vertical alignment of the screen up to max. 400 mm is possible. The height-adjustable TV wall mount allows the installation of OLED, LED, LCD and plasma TVs and a maximum of individuality. The display can be positioned at any height. The LCD TV wall mount is equipped with a VESA compliant hole patterns standard from 200x200 to 600x400 mm for mounting different TV manufacturers and sizes. The TV can be tilted up to 10° to avoid a disturbing glare effect. The combination of functionality and innovation characterises this MonLines wall mount.
