

MonLines MWH017B

Interactive whiteboard / TV wall mount up to 70"

Description

MonLines - individual. The MonLines MWH017B is a height-adjustable wall mount for interactive whiteboards / touch screens or TVs from 37" to 70" with a maximum weight of 40 kg. Touch monitors / whiteboards can be mounted on the wall with the bracket. The height-adjustable wall mount has a VESA standard of 200x200 to 800x400 mm and is therefore suitable for a wide range of whiteboards and TV devices / TVs. Designed for large and heavy screens and whiteboards the wall mount impresses with its flexibility.

ATTENTION: The height adjustment starts from the zero point of the suspension and can be adjusted downwards up to 400 mm. Height adjustment upwards is not possible (see fig. 5 assembly instructions).
