

MonLines MWH046B Tilting Outdoor TV Wall Mount, 37–86 Inch, up to 50 kg

+5° – -10°
 Neigbar für optimalen Blickwinkel
 +5° – -10°
 Tiltable for an optimal viewing angle

Description

The MonLines MWH046B Tilting Outdoor TV Wall Mount, 37–86 Inch, up to 50 kg, is the ideal solution for outdoor use thanks to its weather-resistant powder coating and stainless steel mounting components. Whether exposed to rain, sunshine or snow, this outdoor wall mount is robust, durable and elegant. Its excellent corrosion resistance has been confirmed in a 96-hour salt spray test. The elegant brown-silver metallic finish emphasizes its premium quality and blends perfectly into modern outdoor environments.

Thanks to the freely adjustable tilt range from +5° to -10°, the TV wall mount provides an optimal viewing angle at all times. The slim wall distance of just 56 mm ensures a clean, discreet appearance. The TV mount is ideal for patios, balconies, garden pavilions, conservatories, restaurants, pubs, beer gardens and hotels. The two mounting rails are attached directly to the TV and then hooked onto the wall plate. A safety screw on the underside securely locks the TV in place.
