

Floor to wall column

063.0800 Floor to wall column 1900 mm for flat panels max. 90 inch, 100 kg

Some locations have walls for which the screen plus wall mount are too heavy for installation. The regular flat screen stand will be implemented here in most cases, but it is taking up a lot of space. SmartMetals therefore developed a room-saving solution, based upon the design of our stand, but then mounted to the floor and fastened to the wall. This solution allows the weight of the screen to be strained on the floor. A max. weight of 100kg can be mounted to the stand head. One of the following screen mounts should be added: 052.1000/.2000/.6000, which can be chosen based upon the weight and mounting pattern of the screen.

Floor to wall column

Features

Maximum length: 1900 mm

Weight: 28.00 kg

Colour: Aluminium

Maximum load: 100 kg

Screen position: Landscape, Portrait

Inch range: max. 90 inch

Height adjustment: Manual

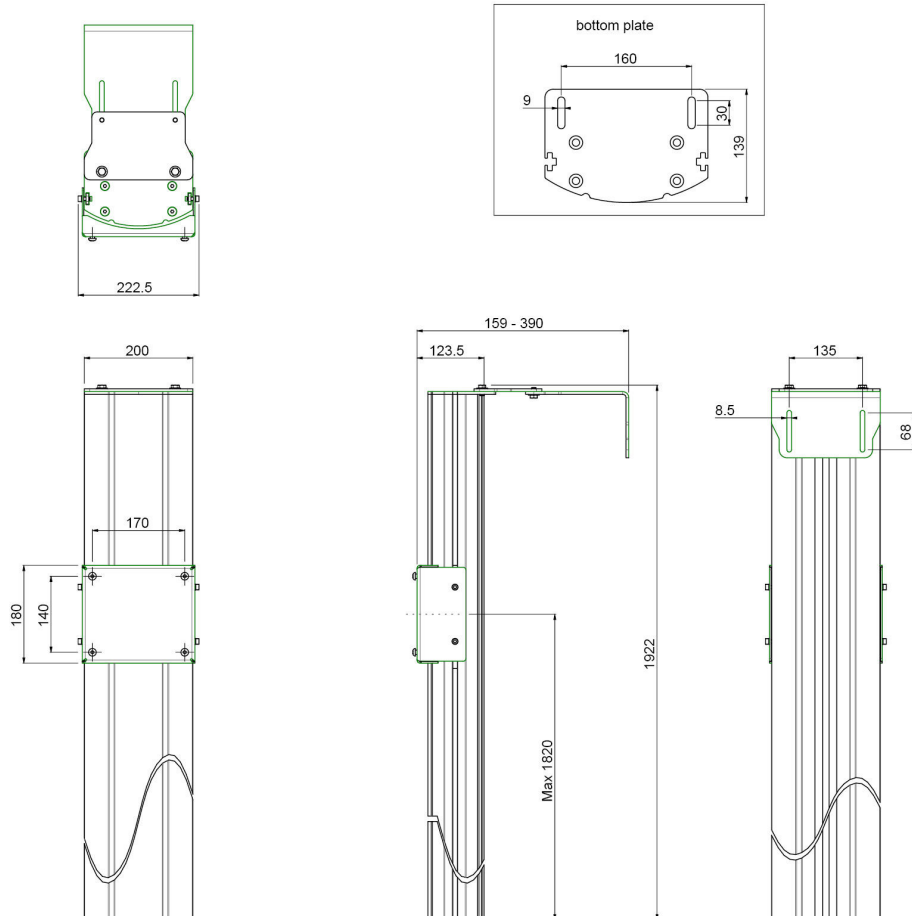

Bracket/interface: Excluded

Type bracket/interface: Universal

Mounting system: 170 x 140 mm

Cable duct: 25 mm Ø

Other information: Combine with one of our wall mounts (052.1000 / 052.2000 / 052.6000)

Universal wall mount

052.1000 Universal wall mount: max. 446 x 400 mm, 125 kg

All universal wall mounts are VESA compatible. Besides wall mounting, all our wall mounts can be used for ceiling mounting in combination with a tube set, and directly fastened to the stands thanks to its 170 x 140 mm mounting pattern. The mounts include fastening material, to secure the mount to the display. Furthermore they include a safety bar or fixation, offering you protection from theft; a padlock is to be added separately.
