TTLH009B 2x speaker wall bracket for Sonos Era 100 and 300

Description

TecLines introduces the Sonos Era wall mount as a clever solution for optimising the listening experience while saving space. Designed for the Sonos Era 100/300, this set of two brackets can be mounted at any desired height. To ensure ideal speaker alignment, the wall mounts are tiltable and swivelable. Installation is quick and easy with the included hardware. The discreet design integrates seamlessly into various interiors, and cables are elegantly concealed through the built-in cable management system. TecLines – Intelligent technology by creative minds.
