

PFW 5870 FIXED VIDEO WALL MODULE

The PFW 5870 Fixed Flat Panel Video Wall Mount is a video wall mounting solution which features multi-monitor stacking, open design, a built-in kickstand for easy service access, custom spacers and top-adjustable mounting brackets with convenient adjustments along the x,y, and z axis for easy panel alignment. The PFW 5870 may be used instead of the PFW 6870 in areas of a video wall where pop-out functionality is not required.
