## PFW 6856 Display wall mount - turn & tilt , Panasonic 85 inch

The positive and negative tilt adjustment allows the mount to be installed level and plumb. The dual articulating arms allow even the heaviest display to be pulled away from the wall for service or alignment. The mount features a 90 degree rotation which allows the display to be installed in landscape, portrait or any other position inbetween. Also see PFW 6855 for VESA fitment displays and PFW 6857 for Panasonic 103 inch displays.
