

Secure iPad2 Enclosure PTS 1104

Specifications

More and more tablet PC's like the iPad are used for public applications in retail shops, museums, showrooms and exhibitions. Especially for the iPad Vogel's developed a secure enclosure, preventing theft and unauthorized operation.

Secure iPad2 Enclosure PTS 1104

Made out of high quality aluminium and steel we designed a stylish and slim enclosure which protects the iPad in public environments. The Secure iPad Enclosure can directly be mounted to the wall or via de VESA 10x10cm mounting holes to any Vogel's VESA compatible mounts.

Solutions for other tablets will follow. Check our website for the latest information.
