

# TP150B

## MOTORIZED TILT MOUNT

Our large motorized tilt mount offers the best of both worlds in one application. TP150B automatically tilt to a preset viewing angle when the TV is turned on, or included remote control may be used to tilt the TV. Perfect for TVs placed above a fireplace, as it returns flush against the wall when turned off, preventing heat damage and making it aesthetically pleasing much like a picture frame on the wall. The TP150B offers a user-friendly design and are simple to install, allowing you to achieve the perfect viewing experience every time.
